

Well Pet Dog and Cat Clinic Hours

Aggressive or difficult pets are not eligible for this service
Adult Pets only (12 months or older)

Tuesdays & Fridays 2pm to 4pm

There may be a wait for this service

You may schedule within 24 hours of the desired day or arrive as a “walk in”.

Services are offered only at the Chatham Animal Hospital, location 105 Oceana Place, Cary at this time.

This service is intended for:

- (1) Pet owners that believe their pet has no ailments
- (2) Are in search of a cost effective means to update vaccinations and routine lab tests (heartworm and intestinal parasite screens)
- and (3) Understand that this is a well pet service and therefore cannot address any issues other than the well dog or cat.

Vaccination Suitability Exam** \$ 24

Heartworm Antigen Test \$ 18

Heartworm and Tick Screen Same Day Test \$ 30

Intestinal Parasite Exam (Fecal-by centrifugation) \$ 18

Vaccinations

Cats	Dogs
Feline Leukemia Virus \$ 15	DA2PP (Distemper combination) \$ 12
Feline Distemper and Upper Respiratory Virus \$ 12	Leptospirosis \$ 12
	Bordetella (intranasal or injectable) \$ 12
Feline Rabies Vaccination (1 year) \$ 12	Canine Rabies Vaccination (1 year or 3 years if a previous rabies vaccination is documented) \$ 12

De-worming medications will also be offered at a reduced price depending on:

A) The type of intestinal parasites found-----

B) The size and species of animal being treated

Common prices are: Cats \$ 8-12 and Dogs \$ 12-24

**** The clinic vaccination physical exam is used to assess the animal’s suitability to receive immunization(s). The purpose of this program is to provide a low cost alternative for healthy animals. If other problems are found that need to be addressed, or prevent immunization(s) from being done, another appointment can be scheduled to address these issues.**
